

Self assembly A1, A2 & A3 Planchests in sturdy tubular frame construction. The frame is available in all Estia colours. The drawers are high impact plastic, 60mm deep overall in White or Black. The top panel is available in White 1, Grey 2, Black 3, Granite 4, Ash 5.

The 7 and 10 A1 Drawer Planchests are designed to accept the Retractable 762 x 1220 Drawing Board assembly (item 7) which slides forward for legroom and has 6 angle settings, 15-60 degrees.

Units may be purchased in a mix of drawers/open shallow shelves or all open shelving.

STACKABILITY

The A1 & A2, 7 & 10 Drawer Planchests will stack in pairs by joining side frames together at the open tube ends, ie. bottom unit is palced upside down with the drawers reversed to face the right side up while the space between upper and lower set of drawers forms open shelf for board materials etc.
